

HEYSHOTT FIREWORKS.
JUBILEE YEAR

Heyshott will hold its 60th consecutive bonfire and fireworks evening on Saturday 3rd November 2012. Started in 1953 for the village Scouts, it is now a well known much loved family event.

A product of its own success, we have had a difficult year trying to comply with legislation and ensure everyone's safety without compromising on the enjoyment that the evening offers. Charging an entrance fee was an option, but it was felt the traditional atmosphere would be lost.

However, we have employed the services of a Professional Parking Company who will ensure everyone parks as close as possible to the village and we would ask for your co-operation and follow their instructions.

This event is self funding, so please give generously when asked so that this event can continue for another 60 years. Lets keep the Jubilee spirit alive.

Timing. Saturday 3rd November 2012

7pm Torchlight Procession through the village with a Pipe Band

7.30pm Lighting of the Bonfire

7.35 Mr Punch Show

8.00 Fireworks Display

Soup, sausages and a licensed bar.
